

Maia ON

SPOTLIGHTS

Maia ON is a surface mounted luminaire designed by BUCK.STUDIO. Two versions are available - featuring one or two light sources. The spotlight's slender form and subtle simplicity will discreetly make its presence felt in the interior. The high quality integrated and energy-efficient LED light source provides natural-looking colours. Its optical lens enables shifting the lighting angle between 8° and 40°.

Basic, complementary, and spot lighting. The luminaires will work perfectly at establishments such as clubs, galleries, and hotels, but also as lighting for the office and home

PARAMETRY TECHNICZNE		INDEX	SOURCE LIGHT	ENERGY CLASS	FLUX	ANGLE	COLOR LIGHT	WEIGHT	DIMMING	VOLTAGE
